

ABOUT THE CIRCLE OF LIFE

The Circle of Life is a leadership program that enables the faithful to further a Culture of Life by supporting, in a special way, the mission of The John Paul II Life Center.

Members are those people in the community whose passion and generosity provide the motivation and the means for us to carry on.

As a *Charter Member*, you have a pivotal role in helping The JPPII Life Center bring to Central Texas authentically Catholic OB/GYN medical care, sonograms to women facing unexpected pregnancies, and educational programs.

Since the kings of the Old Testament had many wives, they normally chose their mother to be their queen. The mother was very often approached with requests and asked to intercede to the king. In this way, we ask Mary, our Queen, to intercede on our behalf to her most holy son, Jesus Christ.

To respect and defend the mystery of
life always and everywhere, including
the lives of unborn babies, giving real
help and encouragement to mothers

MISSION

The John Paul II Life Center leads the way in creating a Culture of Life in Central Texas. Inspired by Blessed John Paul II's teachings on the sanctity of life, our non-profit organization serves women and families of all faiths and backgrounds.

Our three-fold mission is to:

- operate an OB/GYN medical practice, The Vitae Clinic
- promote life by offering 3D/ 4D sonograms to mothers and babies in crisis pregnancies
- provide education about chastity, fertility care, and religious freedom
